

Cisco IP Contact Center and IP Telephony Support Specialist Questions and Answers

Do you have an incumbent vendor? [No](#)

What is the budget for this project? [We prefer to not disclose this information. We would like the vendors to give us their best price, not one based upon the amount of our budget.](#)

What is the interview process for this position? [We typically do in-person interviews. While we will consider a telephone or video conference for the first round, an in-person interview is required before the final selection.](#)

Will you consider non-local candidates that are willing to relocate for the duration of the project? [Yes, we will consider non-local candidates; however we do not pay relocation costs and do not guarantee additional work beyond the terms of the contract.](#)
